

AS20030

ROVAL SURFACE MOUNTED DOUBLE TOILET ROLL DISPENSER

DESCRIPTION

Royal AS20030 is a surface mounted twin roll, toilet paper dispenser. The dispenser has a formed seamless, bowed front face with gently radiused edges to provide added strength and complimentary appearance. Fabricated in 0.9mm type 304 satin finish stainless steel. All exposed surfaces are protected with PVC film which is easily removed after installation.

The dispenser has dispensing guide tracks allowing second roll to drop true once first empty roll has been removed. Toilet rolls are fitted to theft resistant plastic rollers with steel end pins.

Also available in a semi recessed version ref 20031.

INSTALLATION

Mount using 4 x M6 x 24 Philips type pan head self tapping screws (by others) through key hole mounting holes provided. For disabled compliance mount cabinet so that top of unit is mounted between 800 and 1370 max. above finished floor and between 180 and 230 from vertical centreline of toilet.
