MACDONALD INDUSTRIES LIMITED TECHNICAL DATA SHEET

BR100-EV POLYETHYLENE VERTICAL BABY CHANGING TABLE

DESCRIPTION

The BR100-EV MacDonald baby changing stations are made from durable, easy to clean, high density polyethylene which is inherently bacterial resistant. Clean design fits virtually all decor and is excellent for cost conscious customers. All models include built-in liner dispensers, all necessary mounting hardware, safety strap and buckle.

This product is intended for children up to a maximum weight of 22.7kg (50lbs.)

NOTE: Hinges and fixings are nickel plated steel and can be compromised in corrosive environments. Please use a stainless steel model in these environments.

PRODUCT FEATURES

- Easy to clean, high density polyethylene which is naturally bacteria resistant.
