

DE2597
BASIN MIXER
WITH RETRACTING HAND-SPRAY

DELABIE

DESCRIPTION

DELABIE DE2597 deck-mounted mechanical mixer features a retracting, scale-resistant hand spray with three spray options: laminar flow, rain-effect and blade spray. The single-hole mixer incorporates a swivelling swan neck spout measuring 215mm high and 200mm long.

It is fitted with a Ø40mm standard ceramic cartridge with a pre-set maximum temperature limiter and delivers a flow rate of 5 lpm at 3 bar. The mixer features a chrome-plated brass body with a slimline control lever.

The hand spray is supplied with a nylon flexible hose and integrated non-return valve, along with F3/8" PEX flexible connectors. The mixer is securely fixed via a back nut.

INSTALLATION

- Deck mounted through Ø34mm hole.
- Reinforced fixation using 2x stainless steel fixing screws and support ring.
- PEX flexibles and M1/2" connections.
- Ø40mm ceramic cartridge.
- Flow rate pre-set at 5 lpm at 3 bar.

MODEL

DE2597 - Standard model 9L/min.
