

## DE5640T2

### DECK MOUNTED SINGLE HOLE MIXER 45L/MIN

**DELABIE**

#### DESCRIPTION

DELABIE DE5640T2 is a deck mounted mixer for commercial kitchens with swivelling tubular spout. Rapid fill flow rate 45L/min at 300kPa. Chrome plated brass body and spout, shock resistant ball levers for withstanding intensive use. Spout H.200mm L.200mm with smooth interior for reduced bacterial development and star shaped flow straightener. Also available with H.205mm L.300mm spout. Operating pressure 100-500kPa, 300 kPa recommended. Reinforced fixing with F3/8" water inlets.

#### INSTALLATION

- Deck mounted through Ø34mm hole.
- Swivel spout Ø22mm, H.200mm L.200mm.
- Flow rate 45L/min at 300kPa.
- Operating pressure 100-500kPa, 300kPa recommended.
- F3/8" water supply connections.
- Reinforced fixing.

#### MODELS

- DE5640T2** - Standard model 45L/min.
- DE5640T3** - Same as DE5640T2 but with H.205 L.300mm spout.
