

DE64000

SHOWER HEAD WITH GRID

DELABIE

DESCRIPTION

Delabie DE64000 is a vandal proof fixed shower head with 5 ring spray grid. Flow rate 40L/min at 300kPa without flow rate regulator (can be combined with one of our flow regulators, see MODELS). Chrome plated solid brass with invisible anti-rotating blocking screw. Inlet connection M1/2".

Ideal for use in applications requiring a high degree of vandalism protection.

INSTALLATION

- M1/2" water supply connection.
- Fixed with invisible blocking screw.
- Flow rate 40L/min at 300kPa.

MODELS

DE64000 - Standard model 40L/min, see shower mixer/valve for actual flow rate.

DE64200 - Same as DE64000 but to suit through wall mounting 200mm.

DE927005 - Flow rate regulator 5L/min @ 300kPa.

DE927015 - Flow rate regulator 10L/min @ 300kPa.
