

DE711XXX
 GYM COMFORT SHOWER HEAD

DELABIE

DESCRIPTION

DELABIE DE711xxx is a traditional type swivel shower with scale proof nozzle for light spray shower. The shower head is available in two sizes; Ø46mm and Ø68mm finished in chrome plated solid brass. Flow rate is 30L/min at 300kPa.

Use the DE710002 shower arm L.166mm with F1/2" inlet connection (note - shower head and arm models are required at time of specification/order, see Models). A flow rate restrictor is available to reduce flow rate to 5 or 10L/min.

Suitable for showers with low level vandalism where adjustment and comfort is required.

INSTALLATION

- M1/2" water supply connection.
- Select shower head and shower arm together.
- Flow rate 30L/min at 300kPa (use flow regulator for reduced flow).
