

DE712 000CF TONIC-JET SHOWER HEAD

DELABIE

DESCRIPTION

Delabie DE712000CF 'Tonic Jet' is a vandal proof fixed shower head with an adjustable scale-proof nozzle that can be locked in place. Flow rate 10L/min at 300kPa through automatic flow rate regulator. Chrome plated solid brass with invisible anti-rotating blocking screw. Inlet connection M1/2".

Ideal for use in applications requiring a high degree of vandalism protection and water consumption minimisation.

INSTALLATION

- M1/2" water supply connection.
- Fixed with invisible blocking screw.
- Flow rate 10L/min at 300kPa, automatic flow regulator.
