

DE739100 / DE739102

MIXFOOT

FOOT OPERATED MIXER

DELABIE

DESCRIPTION

DELABIE DE739100 is a foot operated basin mixer with instant shut-off. Pedal has adjustable height and can be raised for cleaning the floor. Pre-set mixing (can be adjusted) - half open for cold and fully open for mixed water. Instant shut-off when pedal is released. Operating pressure is 100-500kPa, 300kPa is recommended. Solid brass wall plate with reinforced fixing via 4 stainless steel screws. Available for floor or wall mounting.

Supplied with filters and M1/2" water connections.

We recommend installing a thermostatic mixing valve (see Water Tempering section) and a wall or basin mounted spout (see Spouts section).

INSTALLATION

- Fixed by 4 screws for floor or wall mounting.
- Pedal can be raised for cleaning floor.
- Instant automatic shut off.
- M1/2" right angle water connections.
- Pre-set mixing, can be adjusted.

MODELS

DE739100 - Standard model for floor mounting.

DE739102 - Same as DE739100 but for wall mounting (height of pedal is adjustable).
