MI-AC1244S
MACDONALD ACCESSIBLE WALL FACED TOILET SUITE & SOFT-CLOSE SEAT

DESCRIPTION

The MacDonald Accessible Toilet Suite is purpose-designed to provide a practical, durable and reliable solution for accessible bathrooms in commercial, healthcare, education and public facilities. Designed for Access and Mobility, the suite provides the appropriate pan height, projection and functionality to assist people with reduced mobility.

Manufactured from high-quality vitreous china, the MacDonald Accessible Toilet Suite is suitable for high-use environments where reliability, hygiene and ease of maintenance are essential. Ideal for accessible sanitary facilities in hospitals, aged care facilities, schools, public amenities, commercial buildings and other projects requiring compliance with New Zealand accessibility standards.

- Compliance: Designed for installations complying with NZS 4121:2001 when installed in accordance with the Standard and all applicable New Zealand Building Code and plumbing requirements.
- Trap type: Standard pan is P-trap, with P-S-trap adaptor included.
- Cistern: 4.5/3L dual flush cistern fitted directly to the toilet pan with concealed fixings. Fitted with raised dual- flush buttons in grey as standard (blue or white available on request).
- Inlet: ½" BSP concealed back inlet connection.
- Water pressure range: 50–500kPa.
- Fixing: MI-WCPFK Floor fixing kit included.
- Seat: MacDonald accessible soft-close toilet seat with lid.
- Dimensions: All dimensions in mm. Tolerance ±5% for dimensions below 200mm and ±3% for dimensions above 200mm.
