MI-JU1214S
MACDONALD JUNIOR WALL FACED TOILET SUITE & SOFT CLOSE SEAT

DESCRIPTION

The MacDonald Junior toilet range is a practical, yet compact solution designed specifically for preschool and young children. Created to support early toilet training while maximising space efficiency, the range helps create a more spacious and functional bathroom environment.

The MacDonald Junior toilet is fitted with a durable seat and lid, providing a practical and comfortable solution for schools, childcare centres, and other high-use bathroom environments.

Designed with both functionality and ease of use in mind, the MacDonald Junior range is well suited to early learning facilities and spaces tailored to younger children.

- Trap type: Standard pan is P-trap, with P-S-trap adaptor included.
- Cistern: 4.5/3L dual flush, fitted directly to toilet pan with concealed fixings.
- Inlet: ½" BSP concealed back inlet connection
- Water pressure range: 50-500kPa
- Fixing: MI-WCPFK floor fixing kit included.
- Seat: MacDonald Junior toilet seat with lid.
- Dimensions: All dimensions in mm. Tolerance ±5% for below 200mm and ±3% above 200mm.
