

VEE - VV_{xx}Y

Y STRAINER, EPOXY COATED CAST IRON

DESCRIPTION

A fully epoxy coated cast iron Y strainer with PN16 flanges complying with BS5163 with removable stainless steel strainer basket.

VEE cast iron strainers are designed to be installed upstream from any plumbing fixture needing protection from sediment and line debris.

All VEE line strainers are supplied drilled to BS Table E configuration and are supplied with one only gasket set ready to bolt to a VEE gate NRS epoxy coated gate valve as part of a Wilkins backflow set. Additional bolts sets can be purchased separately if the Y strainer is to be fitted separate from the gate.

MODELS

- VV65Y - 65mm Y strainer
- VV80Y - 80mm Y strainer
- VV100YE - 100mm Y strainer (Table E)
- VV100YD - 100mm Y strainer (Table D)
- VV150Y - 150mm Y strainer
- VV200Y - 200mm Y strainer
